DISCOVERY WORKSHOPS.

What is it?

Our Design Discovery Workshops are crafted to help you and your team dive deep into your project requirements, uncover new opportunities, and design innovative solutions tailored to your business needs.

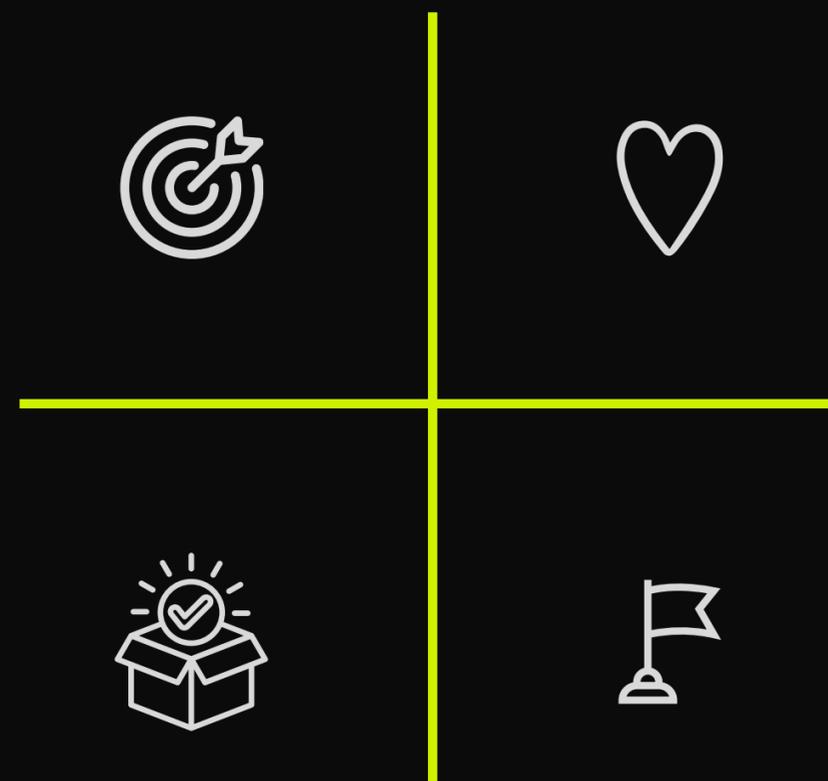

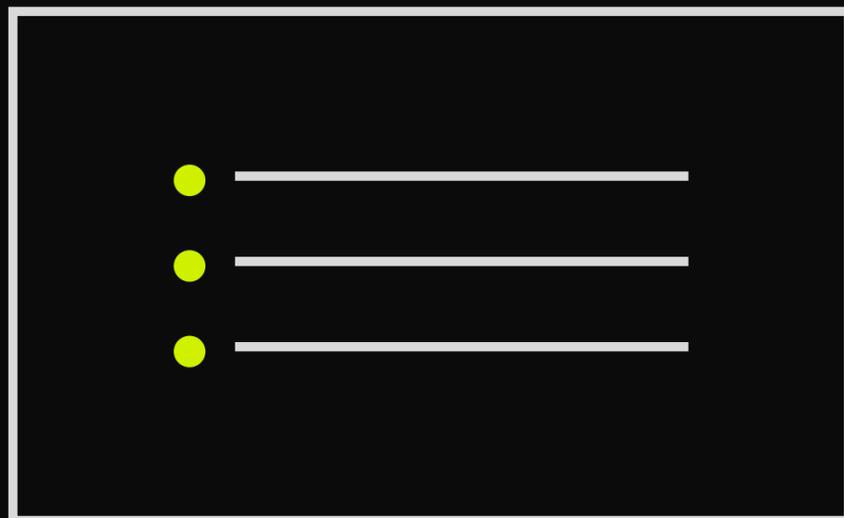

What can you expect?

Uncover insights, generate ideas, and set the stage for success. We explore project goals, user needs, and market opportunities. Deliverables include journey maps, backlog items, and product analysis to guide development and drive innovation.

Deep Dive Analysis

Collaborate with our experts to thoroughly explore your project goals and challenges.

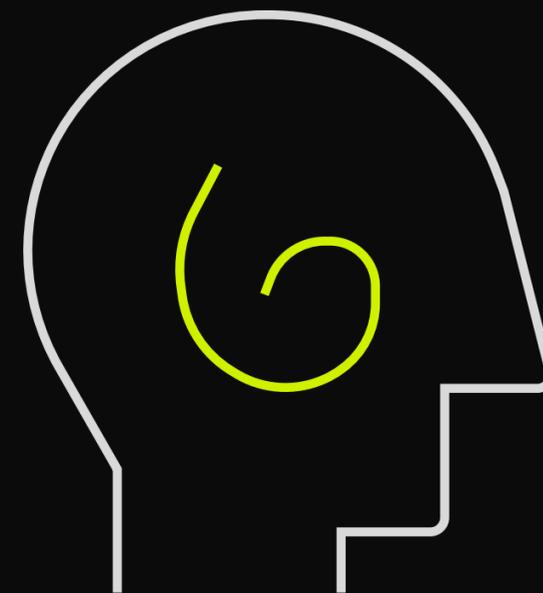

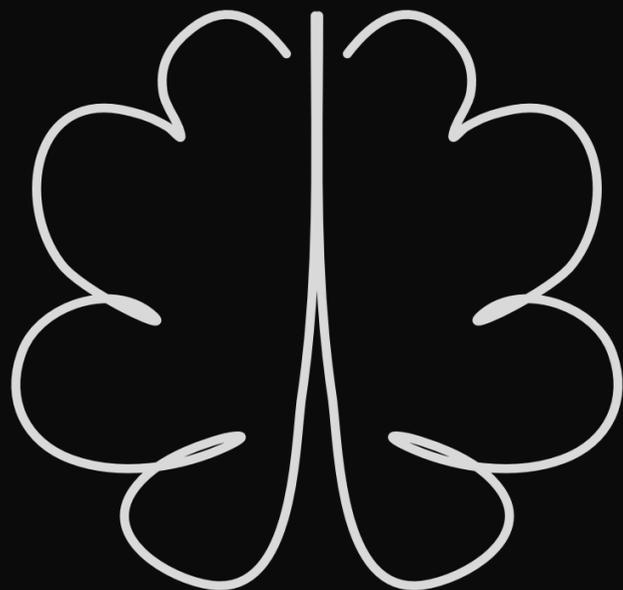

DISCOVERY WORKSHOPS.
